F-8: ORDINANCE NO. 625, ADOPTED 10/25/76
AN ORDINANCE AMENDING THE CITY CHARTER OF THE CITY OF FRIDLEY.

Section 5.02 EXPENDITURES BY PETITIONERS. No member of any initiative, referendum, or recall committee, no circulator of a signature paper, and no signer of any such paper, or any other person, shall accept or offer any reward, pecuniary or otherwise, or service rendered in connection with the circulation thereof, but this shall not prevent the committee from paying for legal advice and from incurring an expense not to exceed \$200.00 for stationary, copying, printing, and notaries' fees. A sworn statement substantiating such expenses shall be turned over to the City Clerk within 5 days following the filing of a petition. Any violation of the provisions of this Section is a misdemeanor. Any violation of this Section shall be reported by the City Clerk to the proper authorities for prosecution under State Statutes applying thereto.

Section 5.03 FURTHER REGULATIONS. A lawful petition under this Charter may be certified, signed and circulated upon an ordinance to be initiated, an ordinance to be made the subject of a referendum and a proceeding for recall upon the grounds authorized by law and required by the Constitution of the State of Minnesota, and reasons stated in the Certificate, are to be stated and noted in the petition itself. A petition for any other purpose may be made in accordance with procedures established by this Charter and under provisions of law as may be elsewhere provided.

A petition under this Charter shall be filed in the office of the City Clerk as one instrument, which instrument shall contain any instrument required, a copy of any ordinance proposed, covered or affected, any other document (appropriate to the petition) and all the signature papers and affidavits attached in support of the same. A petition may be signed by any elector. A petition can be circulated and verified only by an elector who has signed the same. All the signatures on any petition need not be on one signature paper. The circulator of every paper shall verify by affidavit attached that he (she) was the circulator of the same, that each signature was signed in his (her) presence, and is of the person that same purports to be and that each signer affirmed that he (she) was an elector at the residence stated thereon. Any paper lacking such affidavit or verified by an affidavit false and untrue is insufficient and void of effect.

The City Clerk shall be responsible for determining the validity of signatures. If it is obvious the signature on the petition is the signature of the person on the Voter Registration Card with which the signature is compared, the signature shall be counted as a valid signature, notwithstanding the fact that the person may have signed the petition in a different manner when they signed the Voter Registration Card. Before discarding a signature, a reasonable effort shall be made to contact the person(s) in question to determine, if, in fact, they did sign the petition.

The insufficiency or irregularity of a petition shall not prejudice the filing of any new petition for the same purpose, nor shall it prevent the Council from referring any ordinance proposed to the electorate at the next Regular or Special election, or otherwise acting favorably upon the same. The Council may provide by ordinance such further regulations for the initiative, referendum, and recall, not inconsistent with this Charter as it deems necessary.

The City Clerk, upon receipt of documented information that any signature on any petition paper has been falsely attested to, shall promptly forward such information to the proper authority for prosecution under State Statutes applying thereto.

Section 5.05 FORM OF PETITION AND OF SIGNATURE PAPERS. The petition for the adoption of any ordinance shall consist of the ordinance, together with all the signature papers and affidavits thereto attached. If he finds the petition insufficient or irregular, he shall at once notify one or more of the committee of sponsors of that fact, certifying the reasons for his finding. The committee shall then be given 30 days in which to file additional signature papers and to correct the petition in all other particulars. If at the end of that period the petition is found to be still insufficient or irregular, the Clerk shall file it in his office and shall notify each member of the committee of that fact.

Section 5.08 INITIATIVE BALLOTS. The ballots used when voting upon such proposed ordinance shall state the substance of the ordinance and shall give the voters the opportunity to vote either "yes" or "no" on question of adoption. If a majority of the electors voting on any such ordinance vote in favor of it, it shall thereupon become an ordinance of the City. Any number of proposed ordinances may be voted upon at the same election but the voter shall be allowed to vote for or against each separately. In the case of inconsistency between two or more initiative ordinances approved by the electors, the ordinances shall not go into effect until the City Council has had 60 days to resolve the inconsistencies.

Section 5.13 THE RECALL. Any five electors may form themselves into a committee for the purpose of bringing about the recall of any elected officer of the City in accordance with procedures established in Section 5.03. The committee shall certify to the City Clerk the name of the officer whose removal is sought, a statement of the grounds for removal in not more than 250 words, and their intention to bring about his recall. The estimates shall be submitted to the Council at its first regular monthly meeting in August and shall be published in summary in the official publication prior to the August meeting.

Section 7.05 PASSAGE OF THE BUDGET. The budget shall be the principal item of business at the first regular monthly meeting of the Council in August, and the Council shall hold subsequent meetings from time to time until all the estimates have been considered. The meetings shall be so conducted as to give interested citizens a reasonable amount of time in which to be heard, and an opportunity to ask questions. The Council may at any time and shall annually provide for an audit of the City finances by a certified public accountant or by the department of the state authorized to make examinations of the affairs of municipalities. On or before the first day of April in each year the City Manager shall prepare a complete financial statement in form approved by the Council of the City's financial operations for the preceding calendar year, and quarter, which statement may be published in such manner as the Council may direct and a summary thereof shall be published in the official newspaper on or before the third week in April, July, October, and January as appropriate.

Section 10.05 RATES AND CHARGES. Every public utility or franchisee making use of the street or public places within the City shall give courteous, efficient and adequate service at reasonable rates. A reasonable rate shall be construed to be one which will, with efficient management, normally yield a fair return on all property used and useful in furnishing service to the City and its inhabitants. This shall not be

construed as a guarantee of a return and in no case shall there be any return upon franchise value. Within

these limits the determination of maximum rates, fares, or charges to be charged by any public utility or franchisee for service rendered to the City or any person, persons, firm or corporation within the City shall be made, if possible, by direct negotiations between the public utility or franchisee and the Council. In case of failure to reach an agreement by this method within a reasonable time the Council may, in its discretion, agree to submit to arbitration on such terms as it may deem feasible or upon such terms as the franchise provides for, the fixing of rates, fares, or charges by the public utility or franchisee; provided, however, that the rates, fares, or charges so fixed by arbitration shall not be binding on the City for more than five years.

The Council shall be composed of a Mayor and four Councilmen who shall be qualified voters. The Mayor shall be elected at large for a term of three (3) years, (except the first Mayor to be elected in 1957 shall be for a term of two (2) years).

One Councilman shall be elected at large for a term of three (3) years except that of the first such Councilman-at-Large under this Chapter, (shall be the incumbent elected last year, 1956, with two (2) years remaining of term and he shall be considered to serve two (2) years as Councilman-at-Large to 1959).

Three Councilmen shall be elected for terms of three (3) years each from three (3) separate wards of the City, as designated below, except that the first Councilman for Ward No. 2 under this Charter, shall be the Councilman having one (1) year of term yet to serve, and shall be considered Councilman for his Ward 2 for a one (1) year term to expire in 1958. The Councilmen from Wards 1 and 3 shall be elected this year, 1957, each for terms of three (3) years.

Upon adoption of this Charter, the City is divided into three (3) separate wards as follows:

- (a) Ward No. 1 shall be the area comprising all of election district No. 1. Refer to Page 4-5 of "Voting Procedures" adopted by Village Council.

- (c) Ward No. 3 shall be the area comprising all of election district No. 3.

The Councilman from a ward must be a resident of such ward and his ceasing to be a resident thereof shall cause a vacancy in the office of Councilman from such ward; provided that a change in ward boundaries during his term of office shall not disqualify him from serving out his term.

The term of Mayor and of each Councilman shall begin on the first official business day in the month of January next following his election and shall end when his successor has been duly elected and has qualified. The first order of business at the first Official Council Meeting in January shall be the swearing in of the newly elected members of the Council. The Council shall be judge of the election and its members.

The boundaries of the three (3) wards shall be redetermined from time to time by ordinances duly adopted by the Council, and based on the findings of the Council that the wards so redetermined are such that the population of any ward shall not deviate by more than one percent (1%) from the average of the three (3) wards.

After each decennial census of the United States, the Council shall redetermine ward boundaries. This redetermination shall be accomplished no less than one hundred (100) days prior to the legally determined date of the municipal primary of the year ending in the digit two, and if the Council shall fail to do so their remuneration shall be forfeited until the wards of the City are duly redetermined as required by this Charter.

In each such case, the Council shall by resolution declare such vacancy to exist and shall forthwith call a special election to be held not less than 45 days nor more than 60 days from the time such vacancy is declared. In the case of a Special Election to fill the vacancy, there shall be no primary election. The candidate receiving the largest number of votes shall be declared the winner. The winner of said election shall be qualified and take office immediately upon certification by the board of canvass and shall fill the unexpired term. After this Charter takes effect, all local improvements shall continue for the time being to be made under the laws and ordinances applicable thereto. The City Council may prepare and adopt a comprehensive ordinance, prescribing the procedure which shall determine all matters pertaining to the making of local improvements thereafter, and such ordinance shall supplant all other provisions of law on the same subject and may be amended only by an affirmative vote of at least four (4) members of the Council. Such ordinance shall provide for such notice and hearing in the ordering of improvements and the making of assessments therefore as shall be necessary to meet constitutional requirements. Such ordinance shall also require a petition of a majority in number and interest of the owners of property to be assessed for such improvement, or improvements, for the initiation thereof; provided that the City Council may proceed upon its own initiative hereunder and under such ordinance by resolution adopted by five (5) affirmative votes of the City Council after proper notice and hearing.

Section 8.05. PUBLIC WORKS; HOW PERFORMED

The award of any contract amounting to more than ten thousand dollars (\$10,000.00) shall require an affirmative vote of at least four (4) members of the City Council. When the best interests of the City will be served thereby, the City Council may organize a construction department under competent supervision and provided with suitable equipment.

The right is reserved to the City Council, upon the recommendation of an engineer, acting through the construction department to bid on any work to be let by contract. All contracts shall be let to the lowest responsible bidder, but the term "lowest responsible bidder" shall be interpreted as giving the City Council the right to accept any bid which is determined to be most advantageous to the City. The City Council shall reserve the right to reject any or all bids. Detailed proceedings governing the advertisement for bids and the execution of the contract shall be prescribed by ordinance. The City shall require contractors to furnish proper bonds for the protection of the City, the employees and material persons.

The committee or Council shall thereupon provide for public hearings upon the ordinance, after the holding of which the ordinance shall be finally acted upon by the Council not later than sixty-five (65) days after the date upon which it was submitted to the Council by the City Clerk. If the Council fails to pass the proposed ordinance, or passes it in a form different from that set forth in the petition and unsatisfactory to the petitioner, the proposed ordinance shall be submitted by the Council to the electorate at the next regular municipal election; but if the number of signers of the petition is equal to at least fifteen percent (15%) of the total number of registered voters, the Council shall call a special election upon the measure. If the Council passes the proposed ordinance with amendments and at least four-fifths (4/5) of the committee of petitioners do not express their dissatisfaction with such amended form by a statement filed with the City Clerk within ten (10) days of the passage thereof by the Council, the ordinance need not be submitted to the electorate.

If a majority of those voting on any such ordinance vote in favor of it, it shall thereupon become an ordinance of the City. Any number of proposed ordinances may be voted upon at the same election but the voter shall be allowed to vote for or against each separately. In the case of inconsistency between two (2) or more initiative ordinances approved by the voters, the ordinances shall not go into effect until the City Council has had sixty (60) days to resolve the inconsistencies. The Council shall thereupon reconsider the ordinance at its next regular meeting, and either repeal it or by aye and no vote re-affirm its adherence to the ordinance as passed. In the latter case the Council shall immediately order a special election to be held thereon, or submit the ordinance at the next regular municipal election, pending which the ordinance shall remain suspended. F67: ORDINANCE NO. 1206 ADOPTED JULY 25, 2005**AN ORDINANCE AMENDING FRIDLEY CITY CHARTER, CHAPTER 7. TAXATION AND FINANCES, SECTION 7.02.3.A. & B. PERTAINING TO UTILITY FEES**SECTION 1.

The Fridley City Council hereby finds the following:

That in 2000, a successful initiative petition proposing an amendment to the Fridley City Charter requiring voter approval for tax increases beyond specified inflationary adjustments, or to create, expand or increase various fees was received and placed on the November 7, 2000, municipal election ballot. The question was approved by the voters by 57% of all people voting in the election. In an attempt to remedy confusing language contained in the amendment and potentially dangerous and costly problems for the City, an ad hoc work group met and formulated an ordinance designed to correct the language contained within the amendment. The ordinance was reviewed by the City Charter Commission and recommended to the City Council for adoption. The ordinance was approved April 9, 2001.

That in 2004, due to the City's increased costs in providing the sanitary sewer, storm water and water sales to its customers, it was found that an unintended consequence to the City had been created by the amendment by not allowing the City to recover its full costs for providing sanitary sewer, storm water and water sales. The Charter Commission recommended adoption of an ordinance removing utility fees from Section 7.03.A. of the City Charter as a defined fee that could not be increased above 5% or the rate of inflation, whichever is lower. The City Council adopted the ordinance; however, a successful Referendum Petition requesting withdrawal of the ordinance was received and placed on the November municipal election ballot. The question approving the ordinance failed and the ordinance did not become effective.

During the 2006 budget preparation and planning it was determined that sanitary sewer, storm water and water costs continue to increase due to a number of outside factors beyond the control of the city. Some of these factors include federal mandates imposing increasingly higher standards for water and sewer, higher sewage disposal charges imposed by the Metropolitan Council Environmental Services agency, and ongoing repairs and maintenance of the system's infrastructure. The City Council sent a Survey to all current city commissioners to query their thoughts about utility rates. There was overwhelming agreement that the charter should be amended to allow the city to recover its costs for sanitary sewer, storm water and water sales.

That a proposed charter amendment will help eliminate potential for long term subsidy of sanitary sewer, storm water and water deficits; provide cost recovery for federal or state mandates; and maintain all other spending restrictions which requires city council to obtain direct voter approval for programs that increase costs above 5% or the rate of inflation, whichever is lower.

SECTION 2.

That Chapter 5, Section 5.09 of the Fridley City Charter states that, "The ways to initiate amendments to this Charter are set forth in Minnesota Statutes. Minnesota Statutes Chapter 410.12, subd. 5, allows for the city council to propose an amendment to the voters by ordinance. This ordinance shall be submitted to the charter commission for review. After the charter commission completes its review and notifies the city council of its recommendation, the city council may submit it to the people.

SECTION 3.

That the Fridley City Council hereby ordains that the Fridley City Charter be amended and that a Special Election be held in the City of Fridley on November 8, 2005, to allow the people to vote on the following question:

Shall the Fridley Charter be amended so as to permit water, sewer and storm water charges above the rate of inflation without the passage of a referendum for each such increase?

- Yes
 No

SECTION 4.

That the City Clerk shall cause notice of said election to be given to the Anoka County Auditor within 53 days of said election and that notice of said election be published in the official newspaper of the City for at least three weeks prior to said election; and

That the City Council ordains that the election shall be held at the usual polling locations for the state general election, as set forth in Exhibit "A," and that said election shall be held and conducted in accordance with the Minnesota State Statutes applicable to municipal elections and the provisions of the Home Rule Charter; and

That the City Council shall meet within seven days from said election as required by law for the purpose of canvassing said election and declaring the results thereof.
